

## **Thornborough Village Hall**

The renovation project is now in full swing. Recent highlights include:

1. Damp works grant received and damp work completed – the skirting board refit has started and a painting party is planned for June.
2. Grant for heating obtained and works going ahead asap.
3. Project manager on board and preparing scope of works for major works which will be starting in the next 12 months.

Huge thanks to Thornborough and Thornton Fundraisers and everyone who is supporting the Village Hall Refurbishment Fund.
