

Thornborough Pre-School

The past year we have been dealing with the pandemic still and the ever changing guidelines which our staff, Committee and all children have adapted to easily and dealt with tremendously. Our new starters have excelled everyone's expectations in settling in and love being in our Pre-school. To the point they don't want to go home!

We have a fantastic new manager who works incredibly hard to ensure the children are learning and developing their next steps within the EYFS framework and we have all agreed we are incredibly lucky to have her. We have recently recruited a new Deputy Manager who is very driven (just like our manager) and we are very excited to have her on our team. We have a Lunchtime assistant who helps us prepare snack, set out lunchtime and is currently doing her Level 3 qualification as well! We are currently recruiting for another part time member of staff due to our numbers of children currently be the best ever and with enquiries coming in all the time for new starters. We currently have a waiting list for September and 2023 already.

Financially this year again has obviously affected us, luckily not as bad as the year before, but with our continued fundraising of our usual annual events including some new events coming up and our increased numbers we continue to thrive and grow even stronger. We would like to thank the village for their support during our events and a special thank you to the Parish Council for their ongoing support during the last year.
